

BILLING CODE 6717-01-P  
DEPARTMENT OF ENERGY  
Federal Energy Regulatory Commission

Availability of E-Tag Information  
to Commission Staff

Docket No. RM11-12-000

Notice Specifying Webregistry Code

In Order No. 771,<sup>1</sup> the Federal Energy Regulatory Commission amended its regulations to grant the Commission access, on a non-public and ongoing basis, to the complete electronic tags (e-Tags) used to schedule the transmission of electric power in wholesale markets. Order No. 771 requires e-Tag Authors (through their Agent Service) and Balancing Authorities (through their Authority Service) to take appropriate steps to ensure Commission access to the e-Tags covered by this Final Rule by designating the Commission as an addressee on the e-Tags.

In Order No. 771, the Commission stated that, “following issuance of this Final Rule and the Commission’s registration in the OATI webRegistry, the Commission will issue a notice specifying which entity code should be used to ensure that the Commission is an addressee on the e-Tag”.<sup>2</sup> The Commission has registered in the OATI webRegistry as a Purchasing-Selling Entity under the entity code “FERC.” This code should be used to designate the Commission as an addressee to comply with 18 CFR 366.2(d) (2012) of the Commission’s regulations.

Dated: February 26, 2013

Kimberly D. Bose,  
Secretary.
